Steps to buying an IKEA kitchen

IKEA kitchens are designed so that you can install them yourself. Follow the steps below to ensure the process goes well for you. Should you have any questions, don't hesitate to talk to our kitchen experts at your local IKEA store or visit us at [IKEA.ca/kitchens](https://www.ikea.ca/kitchens)

Find your style
It's time to dream a little, look at some ideas, consider your needs and decide what you want from an ideal kitchen. This brochure offers you an overview of some of the many possibilities, but you can find even more ideas and inspiration on our website or by visiting your local IKEA store.

Measure
When measuring, it's important to take your time and get your measurements correct. This will form the foundation of all your planning. To see exactly what to measure, pick up a copy of the planning guide at your local IKEA store or at [IKEA.ca/kitchens](https://www.ikea.ca/kitchens)

Plan
Planning your kitchen is when your dreams and ideas take shape. Use our online IKEA Home Planner tool to start planning your kitchen. Or, if you would like some advice, we have kitchen planners ready to help.

Order
When you're satisfied with your planning, visit your local IKEA store or [IKEA.ca](https://www.ikea.ca) to get in contact with our kitchen experts. They will go over your kitchen plan with you, and help you with anything you're not sure about. When you are ready you can order and we can help with delivery.

Install
IKEA kitchens are designed to be installed by you, but we're here to offer as much help as you feel you need. You can start by picking up the Installation guide from the store which gives step-by-step instructions on how to install your kitchen.

Buying guides
Our buying guides will help you get to know our products. They will give you detailed information about our kitchen offer and all the things you need to create your dream kitchen. Pick up a copy at your local IKEA store or download it online at [IKEA.ca/kitchens](https://www.ikea.ca/kitchens)

General information

What is warrantied?

The extent of the warranty given for each product is described alongside each product.

Duration of warranty

Each warranty lasts for the number of years stated against each product starting from the date of purchase.

What will IKEA do to correct the problem?

IKEA will examine the product and decide, at its sole discretion, if it is covered under this warranty. If considered covered, IKEA through its own service operations, will then, at its sole discretion, replace it with the same or a comparable product. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

Conditions for the warranties

The warranties are valid from the date of purchase at IKEA or date of delivery if later. The original purchase receipt is required as proof of purchase.

Exclusions

This warranty does not cover custom-made countertops, normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. Follow our assembly instructions and care instructions carefully. This warranty does not apply to products that have been stored, assembled or installed incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or wrong cleaning products. This warranty does not apply if the products have been used for public use, outdoors or in a corrosive environment. It also does not cover accidental damage.

Care instructions

To be able to rely on this warranty you need to follow the specific care instructions at the IKEA stores and on the IKEA website.

General legal rights

This warranty gives you specific legal rights. It does not, in any way, affect the rights given to you by law. Items excluded from the IKEA free extended warranties will still be covered by the rights given to you by law.

How to reach us if you need service:

If you need service for TILLREDA appliances, contact your local IKEA store or customer service. You will find the address and phone number at [IKEA.ca/customer-service](https://www.ikea.com/ca/customer-service). For all other appliances please contact our service provider in the USA and Canada at 1-866-664-2449. Please have the IKEA article number (found on the receipt) and model/serial number (found on the rating plate of the appliance) on hand before calling. Helpful information can also be found in the “troubleshooting” section of the use and care guide for each appliance. If outside the 50 United States and Canada, contact your authorized IKEA retailer to determine if another warranty applies.
